## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- On page 3, line 1, of the specification, "now U.S. Patent No. 6,658,478" should replace "attorney docket no. M-8494 US".
- On page 3, lines 2 and 3, of the specification, delete "attorney docket no. M-8496 US".
- At the end of paragraph [0078], line 2, insert a period after "following".
- 2. The drawings filed on August 6, 2003 are objected to as the are not in accordance with 37 CFR 1.84(u)(1). For example, "FIG. 1" should replace "Fig. 1". In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance.

## **REASONS FOR ALLOWANCE**

3. The following is an examiner's statement of reasons for allowance: since "zero logical disk" appears to be a phrase that is unique to applicant's disclosure at the time this Office action was prepared, the scope of this feature as it appears in the claims is entirely limited to the manner in which "zero logical disk" is defined and/or described in the specification. None of the references cited by the examiner teach or suggest, either alone or in combination, each and all of the features of claims 1-9. Consequently, these claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Peikari whose telephone number is (571) 272-4185. The examiner is generally available between 7:00 am and 7:30 pm, EST, Monday through Wednesday, and between 5:30 am and 4:00 pm on Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Matthew Kim, can be reached at (571) 272-4182. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
